STATEMENT BY ELECTED PUBLIC EMPLOYEE

Please acknowledge both statements with a check mark.	Having disclosed the facts above, I hereby state <u>X</u> that the travel expenses or attendance at the event serve a legitimate public purpose; AND <u>X</u> that the benefit to the government of my participation outweighs any non-work related benefit to me or the private sponsor, taking into account the extent to which the free or discounted travel or admission may convey an appearance of special benefit for me.
Reason that my proposed travel or attendance will serve a legitimate public purpose:	Participating in this summit provides us with the opportunity to share our experiences with energy policy development, delivery and regulation with other states and affords me with the opportunity to learn about strategies used in other states and new challenges in the ever changing area of the energy industry that may be helpful for decision-making here in Massachusetts as we balance environment issues with the economic impact of rising energy costs.
Signature:	<i>Justin Coady</i>
Date:	<i>2/2/12</i>

"Legitimate public purpose" means the promotion of tourism, economic development and other activities to promote the interests of the Commonwealth, a county or a municipality; attendance at training and educational events designed to improve the efficiencies and effectiveness of public services or to enhance the knowledge and skills of public employees relative to their official duties; business travel necessary to make informed purchasing decisions, selections and inspections; and similar public purposes.

An elected state or county employee should file the signed form with the State Ethics Commission.

An elected municipal employee should file the signed form with the city or town clerk.
