that makes us a global leader and model in Sustainable technologies. Directly relates to my work in legislature on these subjects. While learning →

## STATEMENT BY ELECTED PUBLIC EMPLOYEE

Please acknowledge <u>both statements</u> with a check mark.	Having disclosed the facts above, I hereby state  <input checked="" type="checkbox"/> that the travel expenses or attendance at the event serve a legitimate public purpose; AND  <input checked="" type="checkbox"/> that the benefit to the government of my participation outweighs any non-work related benefit to me or the private sponsor, taking into account the extent to which the free or discounted travel or admission may convey an appearance of special benefit for me.
Reason that my proposed travel or attendance will serve a legitimate public purpose:	Promoting the Commonwealth of Mass. as a global leader and model on climate change while learning and being informed on what others are doing. Visiting a Model City. Guessing.
Signature:	
Date:	2/13/2012

"Legitimate public purpose" means the promotion of tourism, economic development and other activities to promote the interests of the Commonwealth, a county or a municipality; attendance at training and educational events designed to improve the efficiencies and effectiveness of public services or to enhance the knowledge and skills of public employees relative to their official duties; business travel necessary to make informed purchasing decisions, selections and inspections; and similar public purposes.

**An elected state or county employee should file the signed form with the State Ethics Commission.**

**An elected municipal employee should file the signed form with the city or town clerk.**

**Attach additional pages if necessary.**

USA

Vienna, 16 January 2012

Topic : Invitation as a Speaker to Austria on Sustainable Urban Technologies Conference

Dear Senator Marc R. Pacheco ,

it is an honour to welcome you in our conference in Austria,

Within three days of our conference and excursion we want to focus on energy and climate solutions from the city Vienna:

- Renewable Energy
- Mobility
- Infrastructure
- Environmental Solutions

We are expecting several representatives of companies from the international (USA, Turkey, Austria) energy and environmental sector. Additionally the Turkish/American embassies and World Turkish Business Council / Europe Division (representatives of 17 countries) are going to support this conference.

We would feel very honored to welcome you as a speaker, especially considering your great successes and achievements on environmental issues and as a "Climate Messenger" from Al Gore for sustainable development.

Yours sincerely,

*Gökhan Yildirim & Josef Mantl*

Organisers of the conference "Austrian Sustainable Urban Technologies"
