APPEARANCE OF FAVORITISM OR INFLUENCE	
Describe the issue that is coming before you for action or decision.	I was recently elected Town Selectman in Dracut which has a Town Manager form of Government. The Town Manager is responsible for hiring employees and negotiating contracts with bargaining units. The Manager reports to the Board of Selectmen
What responsibility do you have for taking action or making a decision?	I expect that I will be involved in voting on CBA's recommended by the Town Manager. There is also a possibility that I may serve on the Selectman's Public Safety Sub-Committee
Explain your relationship or affiliation to the person or organization.	I am currently a salaried employee of the New England Police Benevolent Assc. Inc, which is a non-profit labor organization which represents over 3000 law enforcement personnel. My employer represents Probation Officers, Parole Officers, Corrections Officers, Police and Dispatchers. The NEPBA is the exclusive bargaining agent for Dracut Police Patrolmen and Superior Officers. I am a former Dracut police officer (retired).
How do your official actions or decision matter to the person or organization?	They do not. My role at the NEPBA is limited to organizing new units throughout the New England geographical area. I have no involvement with either Dracut group, and my compensation is in no way related to the NEPBA's relationship with the Town of Dracut's Police Officers. I have been retired from the police department since December, 2008.
