Re: Letter of Recusal

EEA# 15019 MathWorks Lakeside Campus Parking and Access Improvements, Natick

Dear Mr. Secretary,

I am writing to you to recuse myself from two matters. One matter is currently before MEPA with an Environmental Notification Form filing and the other may be a matter for MEPA review in the future. I am recusing myself from both of these matters as my husband, Ned Bartlett II, is counsel to both ventures. The first is a project in Natick, MEPA number 15019, Math Works Lakeside Campus Parking and Access Improvements; the second project involves potential development scenarios from CS Railroad Corporation. I would suggest that Rick Bourre, Assistant MEPA Director, handle these matters for the MEPA Unit.

Thank you for your consideration.
