Re: 930 CMR 5.08(2)(d)1 Disclosure

Dear Chairman Bok:

The Commission has received your disclosure filed under 930 CMR 5.08(2)(d)1. Based on an initial review, I am returning your disclosure because it appears that it may not comply with G.L. c. 268A, the conflict of interest law, for the following reason(s):

☐ Incorrect form.

☐ Incomplete/inaccurate information.

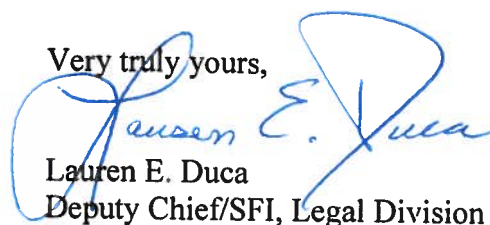

☒ Disclosure not maintained by the Commission. Although we are returning your original disclosure to you, we have kept a copy for our files. In the future, disclosures under 930 CMR 5.08(2)(d)1 should **not** be filed with the Commission. Instead, they should be filed with your appointing authority.

☐ Other.

It is your responsibility as a public employee to ensure that you are complying with the requirements of and/or any exemptions to G.L. c. 268A, the conflict of interest law. You may seek further advice about your disclosure and your compliance with the conflict of interest law from either your agency counsel or by calling me.

Thank you.

Very truly yours,

Lauren E. Duca
Deputy Chief/SFI, Legal Division
