To Whom It May Concern:

The purpose of this letter is to disclose under M.G.L. c. 268A, § 23(b) (3) that I am applying for a position at the Blue Cross Blue Shield Foundation of Massachusetts. The foundation's purpose, as articulated in their official mission statement is to "collaborate with public and private organizations to broaden health coverage and reduce barriers to care, through grants, research, and policy initiatives." As the Chairman of the Joint Committee on Public Health, I anticipate that matters involving health care policy will come before me for discussion and decision. In my role as a Representative, I will need to discuss and potentially vote on legislation.

I may take into account the views of the foundation in an objective manner as I do with so many other stakeholders. I will continue to perform my duties to the highest ethical standards taking into account the facts I have disclosed above, I feel that I can perform my official duties objectively and fairly.

Sincerely,

State Representative Jeffrey Sánchez
