Dear Commissioners:

I am writing to you to disclose that I am participating in a doctoral program at Brandeis University and that I receive full tuition from the Lurie Institute at the University and a stipend from the University.

I anticipate that in this session and in future sessions of the General Court that legislation relative to private institutions of higher education may be considered.

This letter is written pursuant to G.L. c. 268A § 23(b)(3) and is considered public in nature.

Sincerely yours,

A handwritten signature in black ink, appearing to read "THOMAS SANNICANDRO".
