Dear Commissioners:

I am writing to you to disclose that I am a part-owner of Kowloon Restaurant in Saugus.

Tomorrow, the House is considering House, No. 3983—An Act relative to workforce reform. Among the issues covered by the proposed bill are the minimum wage and unemployment insurance. If adopted, legislation relative to these topics would arguably have an effect on my financial interests which is different from the effect on the general public.

I make this disclosure pursuant to G.L. c. 268A, s. 6A and consider it public in nature.

Sincerely yours,

DONALD H. WONG
State Representative
