Dear Commissioners:

Attached hereto is a Section 23(b)(3) disclosure I filed with the Clerk of the House of Representatives on April 21, 2016 relative to budget amendments # 657 and #658—both of which are general legislation. Where these amendments may have an effect on my personal financial interests which is different from the effect on the general public, I believe that I erroneously made the disclosure pursuant to Section 23(b)(3), as opposed to Section 6A. Therefore, I make this correction and attach the revised correct disclosure for filing with the State Ethics Commission.

I make this disclosure pursuant to G.L. c. 268A, §6A and consider it public in nature.

Sincerely,

GARRETT BRADLEY
State Representative
Third Plymouth District

| <p>I am filing this disclosure because I am a public official and, in the discharge of my official duties, I am required to take an action which would substantially affect my own financial interests. I recognize that the action will have a greater effect on me than on the general public or on other state employees. I understand that after I disclose my financial interest, I may take the action.</p> | |
| ACTION TO BE TAKEN | |
| Official action to be taken: | Two (2) Budget Amendments (#657 and #658) – both which are general legislation may make it less likely that certain Retirement Systems get pushed into the state PRIM Board. I may have to vote on these amendments. As an attorney, I represent some systems that could be affected by these two (2) amendments. |
| FINANCIAL INTEREST IN ACTION TO BE TAKEN | |
| Financial interest involved: | Please explain the financial interest and include the dollar amount if you know it. My law firm, Thornton Law LLP (of which I am a partner) along with our co-Counsel, Labaton Sucharow, LLP (where I also serve in an 'Of Counsel' capacity), represent some Retirement Funds in security law matters on a wholly-contingent basis. If these amendments (#657, #658) pass some Funds that I/We represent may be less likely, if they are at risk, to be consolidated into PRIM. If said Funds go in PRIM then said Funds would no longer be our law client (s). |
