Subject: Post-trip disclosure adjustment

Good morning,

Given that we are no longer holding the Post-trip reunion today, we wanted to remind you to exclude the \$22.00/person cost for the post-trip meal from the actual cost of the trip in your disclosures.

In addition, a few of your offices have contacted us inquiring about why the actual trip costs exceeded our estimates. The primary reason for this difference is a result of increased costs for trip security (i.e. having a security guard and an armed bus in the West Bank).

If you have any questions please don't hesitate to be in touch.

Best,

Alex Friedman
