ELECTED PUBLIC EMPLOYEE INFORMATION	
Name of elected public employee:	Karen E. Spilka
Title/ Position	Massachusetts Senator
Agency/ Department	Senate, Senate Committee on Ways and Means
Agency address:	Room 212 State House Boston, MA 02133
Office phone:	617.722.1640
Office e-mail:	Karen.Spilka@masenate.gov
Write an X to confirm each statement.	I am filing this disclosure because: ☒ I am going to engage in an activity that serves a legitimate public purpose, i.e., it is intended to promote the interests of the Commonwealth, a county or a municipality; and ☒ A non-public entity (but not a lobbyist) has offered to reimburse, waive or pay travel expenses and costs worth more than \$50.
ACTIVITY THAT SERVES A LEGITIMATE PUBLIC PURPOSE	
Describe the activity which is the reason for traveling.	The Millbank Memorial Fund has arranged a two day symposium in Minneapolis on the subject of health care cost, quality and delivery. Presenters from the fields of government and public health will share lessons learned from Minnesota's efforts in the areas of health care payment and delivery system reform.
Describe your participation in the activity.	I will attend and participate in discussions regarding Minnesota's health care cost containment efforts and their applicability to similar efforts in the commonwealth.
Date, time and location of activity.	December 14 – 16, 2016 Commons Hotel 615 Washington Avenue SE Minneapolis, MN
Please explain how the activity will promote the interests of the Commonwealth, a county or a municipality.	This trip will inform our work in the senate as we consider the next steps to take in health care cost containment policy. Minnesota is of particular interest to our work, given its experience with controlling costs and improving care delivery in the areas of managed care, behavioral health, and long term services and supports. These same areas have substantial impact on health care costs in the commonwealth, and on the MassHealth program in particular.

	Paramedic for North Memorial Health Care and most recently as the Director of Government Relations. He has an extensive background in health care financing and commercial and governmental payment programs and has worked on "Scope of Practice" issues as it relates to non-traditional providers. He drafted, lobbied and successfully implemented the state's Community Paramedic program and is a sought out expert on Scope of Practice and implementation of the Community Paramedic programs. He has also served as a City Council member and Mayor for the City of Annandale, and maintains national and state licensure as a Paramedic.
12:00	Lunch
1:00	Payment and Delivery System Reforms: Minnesota's Medicaid Program <i>Marie Zimmerman, State Medicaid Director, Department of Human Services (DHS)</i> <i>Heather Petermann, Manager, Health Care Delivery and Payment Reform, DHS</i> <i>Mat Spaan, Planning Director, DHS</i> • Medicaid Managed Care reforms • Behavioral Health Homes • Integrated Health Partnerships and Total Cost of Care • Long Term Services and Supports: Controlling Costs and Improving Program Integrity <i>Marie Zimmerman</i> Ms. Zimmerman currently serves as the Minnesota Medicaid Director, where she oversees program wide Medicaid policy development and implementation across the administrations at DHS including Health Care, Chemical and Mental Health, and Continuing Care. She also directly oversees the Department's policy and operations of federal relations, managed care contracting, rate-setting, benefits policy, new delivery and purchasing strategies including the state's Accountable Care Organization (ACO) demonstration, behavioral health homes, and the implementation of the state's State Innovation Model (SIM) grant activities. <i>Heather Petermann</i> Ms. Petermann joined DHS in 2012 as a Planning Director and Informatics Lead, helping to implement the Integrated Health Partnership initiative, DHS's Medicaid Accountable Care Organization (ACO) demonstration. Prior to working for the state, she spent many years at United HealthCare in positions ranging from Government Programs Senior Analyst to Product Manager for Nurse Case Management Tools. She has over 15 years of experience in health care and data analytics. <i>Mat Spaan</i> Mr. Spaan has worked with the state of Minnesota since 2008, where he has worked to implement and develop health policy and payment reform initiatives. His most recent work is as planning director for the Care Delivery and Payment Reform unit and as lead on the state's Medicaid ACO demonstration, known as the Integrated Health Partnerships (IHP). His previous state projects have included the development of the state's All-Payer Claims Database and the creation of a hospital and physician clinic cost and quality comparison tool. Prior to joining the state, Mr. Spaan held several interesting positions in the private and nonprofit sectors, including as a manager with a national health advocacy organization, organizer for a neighborhood arts and economic development nonprofit in New Orleans, and as a boat captain on Lake Michigan.

12:30pm	Lunch
2:00 pm	Hennepin Health ACO: Leveraging Healthcare Dollars for the Social Determinants of Health Hennepin Health is a demonstration project that is conducted in collaboration by Hennepin County and the Minnesota Department of Human Services. Launched in 2012, the program is a partnership between the state's Medicaid and Public Health departments, Hennepin County Medical Center, Metropolitan Health Plan, a county-operated HMO, and NorthPoint Health and Wellness Center, a county-operated clinic. Their goal is to reduce medical costs for some of the poorest and most troubled patients by aligning services and pooling the resources of these organizations—not by creating new programs or looking for new sources of funding. The presenters will discuss their integrated, health care delivery ACO that focuses on medical, mental health, and social needs. Linda Berglin, Public Policy Manager, Hennepin Health and former state Senator Ross Owen, Health Strategy Director, Hennepin Health Julie Bluhn, Health Clinical Program Manager, Hennepin Health Paul Johnson, MD, Director, Coordinated Care Center, Hennepin County Medical Center
