	I am filing this disclosure because I am a public official and, in the discharge of my official duties, I am required to take an action which would substantially affect my own financial interests. I recognize that the action will have a greater effect on me than on the general public or on other state employees. I understand that after I disclose my financial interest, I may take the action.
<b>ACTION TO BE TAKEN</b>	
Official action to be taken:	I intend to discuss, vote on, and otherwise participate in the development, debate and enactment of the State Appropriations Act as it is developed in the Senate Committee on Ways and Means, with regards to amendments to the bill on the Senate floor and on the final bill before the full Senate.
<b>FINANCIAL INTEREST IN ACTION TO BE TAKEN</b>	
Financial interest involved:	The State Appropriations Act may require all state employees who receive health insurance through the Group Insurance Commission to contribute at a rate of 25%.
