| | I am filing this disclosure because I am a public official and, in the discharge of my official duties, I am required to take an action which would substantially affect my own financial interests. I recognize that the action will have a greater effect on me than on the general public or on other state employees. I understand that after I disclose my financial interest, I may take the action. |

| Official action to be taken: | I will need to discuss, debate and potentially vote on S.175, an act relative to unsolicited loans, which includes an amendment updating the term "unsolicited loan instrument" to include any instrument that may be used by a consumer to open any line of credit. |
