	PUBLIC OFFICIAL INFORMATION

Public official position:	Massachusetts State Senator
Public office address:	Room 313-C
Office Phone:	617-722-1330

	I am filing this disclosure because I am a public official and, in the discharge of my official duties, I am required to take an action which would substantially affect my own financial interests. I recognize that the action will have a greater effect on me than on the general public or on other state employees. I understand that after I disclose my financial interest, I may take the action.
	ACTION TO BE TAKEN
Official action to be taken:	The Senate is taking up general legislation to establish future rules of conduct with respect to compensation for a number of public offices, including the Governor and other constitutional officers, judges and members of the Legislature. I will have to review the legislation, participate in debate and vote on the legislation.
	FINANCIAL INTEREST IN ACTION TO BE TAKEN
Financial interest involved:	Please explain the financial interest and include the dollar amount if you know it. The legislation could eliminate the per diems to which I am currently entitled as a member of the Legislature, and it could increase the stipends I might receive for certain leadership or committee positions in the Senate, as well as the amount I receive for office expenses.
