PARTICULAR MATTER	
Particular matter E.g., a judicial or other proceeding, application, submission, request for a ruling or other determination, contract, claim, controversy, charge, accusation, arrest, decision, determination, or finding.	<p>Please describe the particular matter.</p> <p>As a past co-instructor of the Global Service Learning Class, my status as a legal partner to my co-instructor, Kelli Nielsen, I would not be able to participate as an instructor without a determination by my Appointing Authority. I am requesting consideration of allowing me to teach the 2019 class in La Paz Bolivia as we do not supervise each other, I am not responsible for the approval of the overall funding of the course (in particular, instructor salary) and each will receive ½ of the teaching stipend per the MSCA contract for faculty. While I am allowed to teach per section 268A:7 Financial Interests in contracts of state agency which says the following, I will need a determination by my appointing authority that I can teach with Kelli Nielsen prior to the start of class in January.</p> <p>This section shall not prohibit a state employee from teaching or performing other related duties in an educational institution of the commonwealth; provided, that such employee does not participate in, or have official responsibility for, the financial management of such educational institution; and provided, further, that such employee is so employed on a part-time basis. Such employee may be compensated for such services, notwithstanding the provisions of section twenty-one of chapter thirty.</p>
Your required participation in the particular matter: E.g., approval, disapproval, decision, recommendation, rendering advice, investigation, other.	<p>Please describe the task you are required to perform with respect to the particular matter.</p> <p>I am a co-instructor for the Global Service Learning Class and have been for the past seven years. I am responsible for aspects of the class that are different than Kelli's responsibilities and I do not supervise her. We will split the salary pursuant to the MSCA contract. We share grading responsibilities (although our campus system allows only one person to be the person responsible for grading). In our outline of responsibilities, I take care of monitoring our program spending with my colleague in the International Programs Office but, that does not include payment of faculty salaries, which are determined by contract and paid through a contract with the Division of Graduate and Continuing Education.</p>
