Dear Commissioners:

Today the House of Representatives is considering House, No. 4640—*An Act relative to minimum wage, paid family medical leave and the sales tax holiday*. Included in the bill are provisions that may affect my personal financial interests and those of my family members because we own a family business that I expect will be impacted by changes made to employee wages and benefits such as paid family and medical leave.

I make this disclosure pursuant to Sections 6A and 23(b)(3) of Chapter 268A of the General Laws and consider it to be public in nature.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Donald H. Wong".
