I have agreed to a live stream question and answer session with United States Senator Edward Markey regarding the Hampden County Sheriff's Department's COVID-19 response and its recent opening of the First Responder Recovery Center for front line workers. The session will be filmed on location at the Hampden County Sheriff's Department's property. Earlier this year, I endorsed Senator Edward Markey in his re-election bid for U.S. Senate. However, I want to be clear that this interview is being conducted at the Senator's request and in my official capacity as Sheriff of Hampden County and will be limited in scope to a discussion on the issues described above. This interview is not for the purpose of endorsing Senator Markey's candidacy and I would afford this interview opportunity to any candidate or public official who wished to have it. I am hoping this explanation dispels any appearance of a conflict of interest.
