Public official position:	Senator

	I am filing this disclosure because I am a public official and, in the discharge of my official duties, I am required to take an action which would substantially affect my own financial interests. I recognize that the action will have a greater effect on me than on the general public or on other state employees. I understand that after I disclose my financial interest, I may take the action.
ACTION TO BE TAKEN	
Official action to be taken:	As a state senator, I take action on general and specific legislation. At the start of the current legislative session, I filed bills of interest to the Massachusetts Bio Tech Council, Some of the bills I filed are now scheduled for initial hearing. I may wish to take action of some kind on that legislation.
FINANCIAL INTEREST IN ACTION TO BE TAKEN	
Financial interest involved:	Please explain the financial interest and include the dollar amount if you know it. I am in discussions with a search committee concerning a position at the Council. My financial interest is speculative, and the dollar amount is indeterminate and therefore one can disagree about whether whatever interest I have would be substantially affected.
