Dear Commissioners:

I am writing to disclose that my family's restaurant and catering business, of which I am a part-owner, has been affected by various pandemic-related policies that are about to expire; and the General Court is considering extensions of those policies, including restaurant relief measures like to-go cocktails and expanded outdoor dining, as well as policies on delivery charges.

I anticipate that, in this session and in future sessions of the General Court, legislation or other matters relative to these policies may be considered.

I make this disclosure pursuant to G.L. c. 268A, §§6A & 23(b)(3) and consider it public in nature.

Sincerely yours,

/s/ Donald Wong
