Dear Commissioners:

The House of Representatives is considering House, No. 86—entitled *proposal for a legislative amendment to the Constitution to provide resources for education and transportation through an additional tax on incomes in excess of one million dollars*. The bill would amend the state's constitution to impose an additional 4% tax on annual taxable income over \$1 million. If this proposal is passed into law, it may be that my family members and I would be impacted starting in tax year 2023.

Out of an abundance of caution, I make this disclosure pursuant to Sections 6A and 23(b)(3) of Chapter 268A of the General Laws and consider it to be public in nature.

Sincerely yours,

/s/ Donald H. Wong
