

**DISCLOSURE BY ELECTED PUBLIC EMPLOYEE
OF TRAVEL EXPENSES SERVING A LEGITIMATE PUBLIC PURPOSE
AS REQUIRED BY 930 CMR 5.08(2)(d)2.**

	ELECTED PUBLIC EMPLOYEE INFORMATION
Name of elected public employee:	Joan B. Lovely
Title/ Position	Massachusetts State Senator, Second Essex
Agency/ Department	Massachusetts State Senate
Agency address:	24 Beacon St. Room 413-D Boston, MA, 02133
Office phone:	(617) 722-1410
Office e-mail:	Joan.Lovely@masenate.gov
Write an X to confirm each statement.	I am filing this disclosure because: ☒ I am going to engage in an activity that serves a legitimate public purpose, i.e., it is intended to promote the interests of the Commonwealth, a county or a municipality; and ☒ A non-public entity (but not a lobbyist) has offered to reimburse, waive or pay travel expenses and costs worth more than \$50.
	ACTIVITY THAT SERVES A LEGITIMATE PUBLIC PURPOSE
Describe the activity which is the reason for traveling.	The National Conference of State Legislatures (NCSL) will be holding its annual legislative summit in Louisville, Kentucky, from August 5-7, 2024. The conference will include lectures, meetings and networking opportunities for legislators and legislative staff to learn from their counterparts in other states.
Describe your participation in the activity.	As the 2025 Legislative Summit Host member of the Executive Committee, I will be attending this year's legislative summit and the Executive Committee meetings.
Date, time and location of activity.	August 4-7, 2024 Louisville, KY
Please explain how the activity will promote the interests of the Commonwealth, a county or a municipality.	NCSL is a major partner and resource for the Massachusetts Legislature. With Massachusetts hosting NCSL's annual legislative summit in August 2025, my participation in NCSL's legislative summit and the Executive Committee meetings this year will inform my work supporting the Massachusetts Host Committee's preparation and help raise awareness for next year's summit. Additionally, my participation in this year's summit will allow me to learn the most current, up-to-date public policy information and have valuable interactions with legislators and legislative staff from across the country.
	TRAVEL EXPENSES
Identify the person or	

organization that offered to reimburse, waive or pay your travel expenses.	National Conference of State Legislatures
Address of person or organization.	7700 E. First Place Denver, CO 80230
Provide information in as much detail as possible:	Itemization and explanation of amounts offered:
Transportation:	<i>Air, train, bus, and taxi fare and rental car hire, etc.</i> \$580.00 (airfare)
Lodging:	<i>Overnight accommodations.</i>
Meals:	<i>Breakfast, lunch, dinner, special events.</i>
Admission:	<i>Registration, admission, tickets, etc.</i>
Other (please list):	<i>Refreshment, instruction, materials, entertainment, etc.</i>
Total:	\$580.00 <i>Because NCSL has offered to reimburse up to \$1,000 and I have not incurred any other costs subject to reimbursement to date, I will submit a reconciliation statement should I incur any additional costs that will be reimbursed by NCSL.</i>
Write an X beside any relevant statement.	☐ I have attached the relevant itinerary. ☒ I have attached the relevant agenda.
For the exemption to apply, check off both statements.	Having disclosed the facts above, I determine that: ☒ Acceptance of the reimbursement, waiver or payment of travel expenses will serve a legitimate public purpose i.e., it will promote the interests of the Commonwealth, a county or a municipality; AND ☒ Such public purpose outweighs any special non-work related benefit to me or to the person providing the reimbursement, waiver or payment.
Employee signature:	
Date:	August 2, 2024

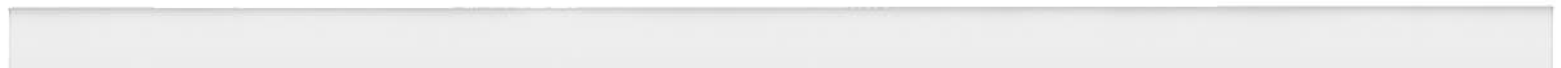

Attach additional pages if necessary.

Elected state or county employees – file with the State Ethics Commission.

Members of the General Court – file with the House or Senate clerk or the State Ethics Commission.

Elected municipal employee – file with the City Clerk or Town Clerk.

Elected regional school committee member – file with the clerk or secretary of the committee.

Panelist: Caroline Whistler, CEO and Co-Founder, Third Sector

Panelist: Jason Tyszko, Senior Vice President, Policy and Programs, U.S. Chamber of Commerce

Panelist: Laura Murphy, Senate Assistant Majority Leader, Illinois General Assembly

Panelist: Matt Gress, State Representative, Arizona Legislature

Panelist: Peter Beard, Senior Vice President-Regional Workforce Development, Greater Houston Partnership

Panelist: Robert Behning, State Representative, Indiana General Assembly

Panelist: Robert Behning, State Representative, Indiana General Assembly

Track: Economic Development and Labor

Education

Summary: Committee officers are asked to review the memorandum, "Policy Directives, Resolutions and Amendments for Consideration at the 2024 Legislative Summit." Committee officers have the opportunity to ask for additional committee referrals of policies.

Summary: State and local governments are reshaping conventional economic development strategies to attract and retain businesses and workers. Despite the interconnected nature of state and local economic development, efforts are not always aligned. Join us to explore policies that encourage intergovernmental collaboration, innovation and sustainable economic growth.

Moderator: Leo Garcia, Policy Specialist, National Conference of State Legislatures

Speaker: Jeff Noel, Secretary of the Kentucky Cabinet for Economic Development, Kentucky Cabinet for Economic Development

Speaker: Ufuk Akcigit, Professor of Economics - University of Chicago, Intuit Quickbooks

Track: Economic Development and Labor

Results-Driven Governing

Summary: As the market transitions to meet the growing demand for renewable energy technologies, securing crucial minerals such as lithium, nickel, cobalt, manganese and graphite presents both an economic opportunity and an environmental conundrum. Join us to explore state and

industry actions to develop a domestic supply of these important substances, including recycling of end-of-life batteries.

Moderator: Kristen Hildreth, AVP Government Relations & Strategic Partnerships, Recycled Materials Association (ReMA)

Panelist: Alexis Georgeson, Vice President, Government Relations & Communications, Redwood Materials

Panelist: Daniel Shapiro, Deployment Manager, U.S. Department of Energy

Panelist: Javier Sancho Velazquez, Head of Global Issues and Innovation, European Union

Track: Natural Resources, Energy and Environment

Summary: High-speed internet is a necessity, connecting people to educational, employment and telehealth opportunities as never before. Learn what's next for the Affordable Connectivity Program, BEAD program implementation, and other federal and state initiatives that help ensure quality broadband is available and affordable for all.

Panelist: Carlos Sanchez, President - AT&T Kentucky, AT&T

Panelist: David Voegelé, Judge-Executive, Oldham County Fiscal Court

Panelist: Herb Tyson, Director of Intergovernmental Affairs, BroadbandUSA, U.S. Department of Commerce, NTIA

Track: Technology and Communications

Summary: Learn more about third-party litigation funding, or TPLF, the \$10 billion industry where financiers invest in lawsuits in exchange for a percentage of any settlement or judgment. Hear how private business, state law and the Department of Justice fit into this new landscape.

Moderator: JJ Gentry, Counsel, South Carolina General Assembly

Panelist: Keith Sharfman, Professor of Law, St. John's University

Panelist: Phil Goldberg, Office Managing Partner and co-chair, Public Policy Practice Group

Track: Law and Public Safety

Summary: On Nov. 5, voters will decide thousands of legislative seats, nearly a dozen governorships and ballot questions galore. Is major political change coming to states? NCSL experts break down the data and discuss the key issues and trends framing the 2024 elections. Join us and see into the possible future!

Speaker: Ben Williams, Associate Director, National Conference of State Legislatures

Speaker: Helen Brewer, Policy Specialist, National Conference of State Legislatures

Track: Elections and Redistricting

Summary: The NCSL Standing Committee on Budgets and Revenue will meet to discuss, consider and review NCSL's policies on federal budget and tax policy, and vote on any new policy directives and resolutions submitted for consideration.

Track: Budget, Taxes and Pensions

Summary: The pandemic shed light on long-standing fractures in the global supply chain. Federal efforts such as the CHIPS Act and IRA sought to strengthen the U.S. manufacturing footprint, increase supply chain resilience and fill workforce shortages. Hear what states are doing to boost their global economic competitiveness.

Speaker: Danielle F. Waterfield, Senior Advisor and Intergovernmental Affairs Specialist, CHIPS for America, U.S. Department of Commerce

Speaker: Jeffrey Langer, General Counsel, Zoeller Company

Speaker: Jennifer Danner Ricardi, Senior Trade Advisor, Delegation of the European Union in Washington D.C

Track: Economic Development and Labor
Technology and Communications

Summary: People released from jails and prisons are 12 times more likely to die in their first two weeks of freedom, particularly from overdose. Recent federal policy permits states to provide Medicaid benefits up to 90 days pre-release—a change that brings hope for improved long-term outcomes along with complex implementation challenges. Learn how states are connecting Medicaid and state corrections systems to improve care for this population.

Moderator: Kimberly Moser, State Representative, Kentucky General Assembly

Panelist: Janet Mann, Deputy Secretary and Medicaid Director, Arkansas Department of Human Services

Panelist: Lisa Flynn, Health Services Administrator, Washington State Department of Corrections

Panelist: Vikki Wachino, Executive Director, Health and Reentry Project

Track: Law and Public Safety
Health and Human Services

Summary: Time is running out on \$39 billion in pandemic relief funding for child care, and states are already seeing the impact the looming funding cliff on families and employers. Join us to learn about the economics of child care and how legislatures can take bold steps to turn this crisis into an opportunity to create affordable and sustainable systems.

Panelist: Erica Phillips, Executive Director, National Association for Family Child Care

Panelist: Kelly Klundt, Principal Analyst, New Mexico Legislature

Panelist: Rob Grunewald, Economist and Public Policy Consultant, Independent Consultant

Panelist: Samara Heavrin, State Representative, Kentucky General Assembly

Track: Health and Human Services
Results-Driven Governing

Summary: Military veterans and their families face a variety of challenges as they transition from military service to the civilian world. Though many services and benefits are available from federal and state agencies to assist veterans with housing, employment, health care, education, food security and child care, accessing the relevant assistance often becomes a daunting task. The job of helping veterans is exacerbated by the increasing incidence of fraudulent operators preying on unsuspecting veterans. This session will highlight both these challenges and the innovative policies enacted by states to better serve our nation's heroes and their families.

Moderator: Mari Leavitt, House Deputy Majority Whip, Washington Legislature

Panelist: Jim Seward, Director, Veterans Justice Commission, Council on Criminal Justice

Panelist: Kathryn Monet, Chief Executive Officer, National Coalition for Homeless Veterans

Panelist: Troy Broussard, State Director-AARP Kentucky, AARP

Track: Law and Public Safety

Speaker: Paul Smith, Clerk of the House, New Hampshire General Court

Track: Legislative Institution

Legislative Staff

Summary: For over 100 years, states have relied on gas taxes to support the construction and maintenance of surface transportation systems. Now, the combination of electric vehicle purchases and heightened fuel efficiency is threatening state transportation budgets. Learn about the looming funding crisis and the options states are exploring to ensure adequate transportation funding. Presented by the NCSL Alternative Transportation User Fees Foundation Partnership.

Moderator: Shannon Francis, State Representative, Kansas Legislature

Panelist: Andrew McLean, Transportation Policy Specialist, CDM Smith

Panelist: Baruch Feigenbaum, Senior Managing Director of Transportation Policy, Reason Foundation

Panelist: Chris Tomlinson, Managing Director, Deloitte Consulting LLP

Track: Budget, Taxes and Pensions

Transportation

Summary: From the creation of the Pritchard Committee decades ago to its innovative data system that integrates crucial education and workforce information, Kentucky has been a pioneer in improving and innovation in education. Come hear from Kentucky education leaders

workforce information, Kentucky has long prioritized improvements and innovation in education. Come hear from Kentucky education leaders about their biggest accomplishments—and lessons learned along the way.

Moderator: Stephen Pruitt, President, Southern Regional Education Board

Panelist: Aaron Thompson, Council President, Kentucky Council on Postsecondary Education

Panelist: Brigitte Blom, President & CEO, Prichard Committee for Academic Excellence

Panelist: James Tipton, State Representative, Kentucky General Assembly

Panelist: Matt Berry, Executive Director, Kentucky Center for Statistics (KYSTATS)

Panelist: Max Wise, State Senator, Kentucky General Assembly

Track: Education

Summary: Join us as the NCSL Task Force on Higher Education unveils a comprehensive national strategy to advance a higher education system that provides more degrees of value for students. Task force members will reflect on their year-long study of key challenges in higher education and discuss the leadership role state legislatures can play to ensure more students get the postsecondary education and training to fill in-demand jobs.

Moderator: Austin Reid, Federal Affairs Advisor, National Conference of State Legislatures

Panelist: Ann Millner, Senate Majority Whip, Utah Legislature

Panelist: Donna Mercado Kim, State Senator, Hawaii Legislature

Panelist: Michael Dembrow, State Senator, Oregon Legislative Assembly

Panelist: W. Briggs Hopson, State Senator, Mississippi Legislature

Track: Education

Summary: What was once fantasy is becoming reality! Join us to learn about new technologies in the transportation space, including autonomous vehicles and advanced air mobility, as well as new uses for drone technology by first responders. Come hear from public and private transportation leaders about the state of these technologies as well as potential federal legislation and regulations.

Panelist: Ben Husch, Director of Policy and Community Affairs, Skydio

Panelist: Chris Lee, Senate Assistant Majority Whip, Hawaii Legislature

Panelist: Josh Bray, State Representative, Kentucky General Assembly

Track: Transportation

Summary: Committee members review, consider and vote on policy resolutions that are up for review and may also conduct other committee business related to protecting states' interests in federal decisions regarding behavioral health, disabilities, Medicaid and the Children's Health Insurance Program, Medicare, long-term care, medical record privacy, health IT, AI and more.

Summary: Gary Ware helps professionals level-up their confidence, creativity and happiness using play. To do this, he incorporates techniques used by professional improvisers to create amazing experiences with no script. Ware has over half a decade of improvisation experience and has spent more than 14 years in digital marketing. He has helped hundreds of companies and thousands of professionals make major breakthroughs

in their lives.

Speaker: Gary Ware, Founder, Breakthrough Play

Track: Legislative Staff

Summary: Data Centers are a key piece of an increasingly digital world, helping store and process data driving a range of activities from social media and telecommunications to healthcare and financial services. As the importance of data services continues to grow, along with the growth of data innovations like artificial intelligence, the energy needed to power data centers has also grown significantly. This session will address this challenge, exploring how states can help power the data needs of the future while ensuring reliable energy supply and minimizing ratepayer impacts.

Track: Natural Resources, Energy and Environment

Summary: Technology is changing employment opportunities and economic growth across the nation, but much of it has been focused on urban areas. With the expansion of remote work and the high cost of city living, rural communities are ripe with opportunities to lure workers and build communities. Hear from experts and policymakers on strategies and policies to strengthen rural America.

Moderator: Leesa Hagan, State Representative, Georgia General Assembly

Panelist: Ashli Watts, President & CEO, Kentucky Chamber

Panelist: Matt Dunne, Executive Director, Center on Rural Innovation

Track: Economic Development and Labor

Technology and Communications

Summary: Over a year since economists predicted a recession, the U.S. economy remains resilient, with low unemployment and declining inflation. But can it continue? External threats to growth persist, and inflation remains stubbornly high in certain sectors. Hear from a Wall Street expert about where the economy may be heading now, and what it means for states.

Speaker: Joyce Chang, Chair of Global Research, JPMorgan Chase

Track: Budget, Taxes and Pensions

Livestream Sessions

Summary: Meet and mingle with your colleagues at the Summit's opening reception. Enjoy views of the Ohio River, great food and live music in the heart of Louisville's Museum Row.

Summary: Evening reception for LSMI alumni to catch up with each other. Presented by the NCSL Foundation.

Track: Legislative Staff

Summary: Food, fun, friends new and old—we've got it all! Join other young legislators and legislative staff for a night of networking and a chance to win in our raffle. Bring your business cards and make valuable connections with your legislative peers from across the nation! The reception will be held at the Tavern on Fourth.

Summary: Please join the National Association of Legislative Fiscal Offices for its annual business meeting. NALFO members will elect new officers, present awards for outstanding staff achievements and discuss other association business. All legislative staff with fiscal responsibilities are members of NALFO and are welcome to attend.

Track: Legislative Staff

Summary: Each year, the Legislative Research Librarians professional staff association sponsors the competition for outstanding state and legislative documents that explore topics of interest to legislators and legislative staff, present substantive material in an outstanding format and showcase the wide range of legislative information available. Join us to honor the winners during the NDA award ceremony and breakfast. Presented by the Legislative Research Librarians Professional Staff Association.

Facilitator: Ta'Vion Hampton, Policy Associate, National Conference of State Legislatures

Track: Legislative Staff

Summary: All attendees are welcome to hear an inspirational message at the prayer breakfast as they participate in a time of bipartisan fellowship.

Speaker: Mark Whitacre, Executive Director, t-factor initiative, Coca-Cola Consolidated

Summary: Join the Elections and Redistricting Standing Committee for breakfast with substantive updates from the U.S. Election Assistance Commission and on recent redistricting litigation.

Speaker: Adam Hall, Senior Policy Counsel, Washington Legislature

Speaker: Ben Hovland, Commissioner, U.S. Election Assistance Commission

Speaker: Frank Strigari, Attorney & President of Government Affairs, Zaino Hall & Farrin LLC

Track: Elections and Redistricting

Summary: What's on your mind? Join your women colleagues for expert-led small group policy discussions. Come ready to learn, share and connect with other women on a policy area of interest, ranging from women as caregivers to building an inclusive workforce.

Moderator: Chelsea Hill, Director of Data, Center For American Women and Politics

Moderator: Jean Sinzdak, Associate Director, Center for American Women and Politics

Moderator: Kelly Dittmar, Director of Research, Center For American Women and Politics

Moderator: Melanie Phillips, Senior Researcher, Citizen Data

Summary: In an age of hyperpartisanship and discontent, how can we center civility in our legislatures and in ourselves? In this session, author Alexandra Hudson explores how civility can coexist with political debate, when it is necessary to prioritize honesty over politeness, and what lessons we can draw from history and other cultures to embrace the noble and challenging task of integrating civility into our work and lives. The first 150 attendees will receive a free copy of Hudson's book, "The Soul of Civility." Hudson will sign copies following the session

Speaker: Alexandra Hudson, Author, Civic Renaissance

Track: Legislative Institution
Professional Development

Summary: Crime often grabs the headlines, but what's really going on? Join us for this session to examine the complex and disparate causes and rates of crime. Come hear researchers and criminologists discuss the statistics, trends in crime and how accurate criminal justice data can inform policymaking.

Moderator: Roger Goodman, State Representative, Washington Legislature

Speaker: Alex Piquero, Professor, University of Miami

Speaker: Beth Huebner, Professor, Arizona State University

Track: Law and Public Safety
Results-Driven Governing

Summary: What's on your mind? Join your women colleagues for expert-led small group policy discussions. Come ready to learn, share and connect with other women on a policy area of interest, ranging from women as caregivers to building an inclusive workforce.

Moderator: Debbie Walsh, Director, Center For American Women and Politics

Track: Women's Legislative Network

Moderator: Luanne Southern, Chief Behavioral Health Strategist, Texas Department of Family and Protective Services Panelist: Dafna Michaelson Jenet, State Senator, Colorado General Assembly Panelist: Robert Behning, State Representative, Indiana General Assembly Speaker: Kathleen Ethier, Director of Adolescent and School Health in the National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention Track: Education Health and Human Services Results-Driven Governing	Wednesday, Aug. 7 1:30 PM-2:45 PM KICC, 1, M100/103
 General Session: Down to the Wire: Donna Brazile and Kellyanne Conway on the Home Stretch of the 2024 Races Summary: With 90 days left until Election Day, who's up, who's down, and what does it mean for the states? Two veteran campaign strategists who have each helmed presidential campaigns join NCSL to give their takes on the state of the race up and down the ballot and share insights about what a second administration of either presidential candidate would mean for policymaking in the states. Moderator: Bryan Thomas, Chief Communications Officer, National Conference of State Legislatures Panelist: Donna Brazile, Democratic Political Strategist, Author and Media Contributor Panelist: Kellyanne Conway, Republican Political Strategist, Former Counselor to the President of the United States	Wednesday, Aug. 7 3:00 PM-4:30 PM KICC, 1, Ballroom ABC
 How 2020 Changed 2024's Election Policies (CLE Credit Available) Summary: The 2020 election brought attention to election policies in ways not seen since the 2000 election. This meeting for legislators, legislative staff and others will look at what changed in the last four years, what's up for the 2024 election and what might be coming to legislatures in the next four years. Space is limited and registration is required. Please contact Katy Owens Hubler (katy.owenshubler@ncsl.org) to sign up for this event and to answer any CLE questions. Track: Elections and Redistricting Continuing Legal Education	Thursday, Aug. 8 9:00 AM-2:30 PM

2024 NCSL Legislative Summit Featured Sessions

Here's a sampling of the exclusive sessions set to take place.

A Healthier Way to View Political Opponents

Professional Development

In the heat of a campaign or an impassioned floor debate, it's easy to see a political opponent as the enemy. World-renowned brain science expert John Medina shares insights about the wiring that shapes the way we think about political opponents and how we can train

ourselves to have a more positive perspective.

Artificial Intelligence Is Here: Are States Ready?

Technology and Communications

The newest age in the digital revolution has arrived, and states need to prepare. Join preeminent thought leader Jennifer Pahlka as she explores how to harness technology and attract tech talent to reimagine the way government benefits its citizens.

Communicating for Voter Confidence

Elections and Redistricting

What do you need to know about election processes to confidently respond to constituent questions? What worries do you hear about election policies and administration? Join your colleagues to share stories and strategies on communicating accurate information about what happens before, during and after elections. Be prepared to talk, too!

The Future of Education: Creating a Vision for Excellence

Education

What does the future of teaching and learning look like? What's needed, what's possible and what's happening across the country and the world that is innovative, engaging and preparing students for the future of work? Join us as experts lay out a vision for teaching and learning, and the policies and practices that support future-ready students and schools.

True Crime: Behind the Trends

Law and Public Safety

Crime often grabs the headlines, but what's really going on? Join us for this session to examine the complex and disparate causes and rates of crime. Come hear researchers and criminologists discuss the statistics, trends in crime and how accurate criminal justice data can inform policymaking.

The Challenges of Reentry and Medicaid

Health and Human Services

People released from jails and prisons are 12 times more likely to die in their first two weeks of freedom, particularly from overdose. Recent federal policy permits states to provide Medicaid benefits up to 90 days pre-release—a change that brings hope for improved long-term outcomes along with complex implementation challenges. Learn how states are connecting Medicaid and state corrections systems to improve care for this population.

Building an AI-Ready Workforce

Economic Development and Labor

As the future of work rapidly changes, so does the demand for AI-ready and skilled workers. Hear from experts and policymakers on state efforts to create career pathways for every student and promote quality nondegree credentials that lead to the jobs of tomorrow.

Charging Ahead: Strategies for Growing Reliable EV Infrastructure

Natural Resources, Energy and Environment

As more electric vehicles hit the road, how can the nation's EV charging network meet the growing demand? Join us to learn about efforts to expand charging infrastructure, the impact on the grid and how state legislatures can help ensure a reliable and efficient EV charging system. Hear about funding opportunities to help states achieve these goals.

What Telling Stories Means for Great Policymaking**Professional Development**

Stories bring to life important policy issues in ways that other forms of communication cannot. Come learn from an expert how to harness the power of effective storytelling for the strategic benefit of an organization and society as a whole. Learn how to develop your personal storytelling skills as well as build a culture of storytelling in your legislature.
